Notes

- •Business totals may not add as a business can be supported in more than one year and can move from local to externally-owned during the 5 year period.
- •Does not include £0.24m of support to External Delivery Organisations or universities, which contributes towards £0.32m of investment, as this benefits businesses across all of Northern Ireland.
- •'Jobs Promoted' are those which are expected as a result of the implementation of a business plan. As this happens, they become 'Jobs Created'.

Jobs above NI Private Sector Median (PSM)

For specific projects Invest NI measures the quality of the jobs by the proportion of those jobs that attract salaries above the Northern Ireland PSM wage - the average annual wage for the private sector, which is £20,800 for 2016.
